

Esthetics Dental Studio

1-Year Limited Warranty

Warranty Coverage

This laboratory provides a limited one (1) year warranty from the date of delivery on crown and bridge restorations. This warranty covers laboratory workmanship and materials only.

Covered Under Warranty

- Remakes or adjustments due to laboratory manufacturing errors
- Material defects related to laboratory processing
- Fit issues when impressions, scans, bites, and prescriptions are accurate and complete

Not Covered Under Warranty

- Inaccurate or incomplete impressions, scans, bites, or prescriptions
- Improper tooth preparation, margins, or occlusal clearance
- Chairside adjustments or alterations made after delivery
- Cementation or bonding errors
- Bruxism, occlusal trauma, or lack of protective appliances
- Shade discrepancies due to lighting, stump shade, or missing shade information
- Normal wear, chipping, or accidental damage
- Any restoration modified by anyone other than the laboratory

Implant Restorations

Implant restorations are warranted for laboratory workmanship only. The laboratory is not responsible for implant placement, angulation, component selection, or biological complications.

Warranty Process

- Claims must be submitted within the warranty period
- Original restoration must be returned for evaluation
- Laboratory reserves the right to remake, adjust, or credit at its discretion
- Overdue or unpaid invoices may result in the warranty being voided

Limitations

This warranty covers labor only. Shipping, rush fees, and additional services are excluded. Liability is limited to the original laboratory fee.
